

Oklahoma Wind Power Initiative Receives Outstanding Wind Working Group of the Year Award

The Oklahoma Wind Power Initiative was presented with the Wind Powering America's Outstanding Wind Working Group of the Year award in Los Angeles, CA on June 7, 2007 at the Wind Powering America State Summit. There to receive the award were: Representative James Covey, Ms. Stephanie Buway (OWPI), Mr. Clayton Robinson (Oklahoma Department of Commerce, State Energy Office), and Ms. Kathy McLaughlin (Oklahoma Department of Commerce, Community Development). Thank you to the Wind Powering America organization for their continued leadership and support!
